

ANATOMY & PHYSIOLOGY

a required science course for all practical nursing programs

DATES Begins April 7th/10 Mondays & Wednesdays

TIME: 5:30 to 8:30pm

COST: 230.00 includes textbook

Prerequisite: Demonstration of grade reading level 9.5 on Blue Hills Regional administered reading comprehension test. Will be contacted regarding test date & time. Enrollment in or successful completion of this course does not guarantee admission into the Blue Hills Regional Practical Nursing Program

LICENSED PRACTICAL NURSE MATH REVIEW

A 4-week review course

DATES: April 29th/4 Tuesdays & Thursdays

TIME: 6:30 to 9pm

COST: 200.00

This course will provide basic math and principles of math for medication administration, which will better prepare candidates entering a Practical Nurse program. Note: Acceptance into this program does not imply acceptance in the day LPN program

READING COMPREHENSION FOR NURSING

A 3-week comprehension course

DATES: April 28th/ 3 Mondays & Wednesdays

TIME: 6:30 to 8pm

COST: 150.00

As a nursing student reading and re-reading is essential to offer the best care to a patient. This comprehensive reading class offers tips and ideas useful as a student and as a provider of patient care
