

**Athletics Update – July 27, 2020**

On July 21, 2020, the MIAA voted to adopt **September 14, 2020** as the **tentative** start date for sports that are allowed to be played based on DESE guidelines at that time.

In light of this, the athletics opening schedule will be pushed back **until at least September 14, 2020**, pending further guidance. Students may still continue to sign up for fall sports through Family ID (<https://www.familyid.com/organizations/blue-hills-regional-technical-school>).

Questions about athletics should be directed to Ed Catabia, Athletic Director, at [ecatabia@bluehills.org](mailto:ecatabia@bluehills.org). If you need assistance with Family ID, please contact Cindy Fama at [cfama@bluehills.org](mailto:cfama@bluehills.org).

Sincerely,

Geoffrey L. Zini
