I. INTRODUCTION

An admission process is necessary in career and vocational technical education schools where space is a limiting factor. Each career and technical education (CTE) program is designed and equipped to serve a maximum number of students, resulting in the inability to accommodate all applicants. Therefore, a selection process is necessary. All applicants to Blue Hills Regional Technical School for grades nine through twelve will be evaluated using the selection criteria contained in this Admission Policy. The Blue Hills Regional Vocational School District Committee approved this policy. Blue Hills Regional Technical School's Admission Policy is on file at the Department of Elementary and Secondary Education.

II. EQUAL EDUCATIONAL OPPORTUNITY

Blue Hills Regional Technical School admits students and makes available to them its advantages, privileges and courses of study without regard to race, color, sex, religion, national origin, sexual orientation, gender identity, limited English proficiency, disability or housing status.

Blue Hill Regional Technical School has an on-line application that is adaptable to languages other than English. Applications are available to send by mail and will be adapted to languages other than English upon request, as well. If there is a student with limited English proficiency, a qualified representative from Blue Hills Regional will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admission process upon the request of the applicant. Please contact the Admission's Office at 781-828-5800 ext. 2270, if you have any questions or need help filling out the application form.

Blue Hills Regional Technical School is committed to providing educational opportunities to students experiencing homelessness. Please contact our school's liaison, Angelo Dimitriou, at adimitriou@bluehills.org, by telephone at 781-828-5800 ext. 2241, by fax at 781-828-0794 or in-person at Blue Hills Regional Technical School, 800 Randolph Street, Canton, MA 02021 with any questions.

Students with disabilities may voluntarily self-identify themselves Blue Hills Regional Technical School to request reasonable accommodations during the entire application and admission process.

Information on limited English proficiency and/or disability submitted voluntarily by the applicant, for the purpose of receiving assistance and accommodations during the entire application and admission process, will not affect their admission to Blue Hill Regional Technical School.

Consistent with Massachusetts regulations, Blue Hills Regional Technical School has created a plan with "deliberate specific strategies to promote equal educational opportunities and attract, enroll, and retain a student population that, when compared to students in similar grades in sending districts, has a comparable academic and demographic profile." These strategies are included in this policy and discussed regularly at public meetings.

III. ELIGIBILITY

Any rising or current eighth or ninth grade student residing in the Blue Hills Regional Vocational School District (Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph and Westwood) expecting to be promoted by their sending school district is eligible to apply for fall admission or admission during the school year, subject to the availability of openings at Blue Hills Regional Technical School. Resident students will be evaluated using the criteria contained in this Admission Policy. Home-schooled students must provide documentation from their local superintendent showing approval of curriculum and evidence of work reflecting state benchmarks. Please refer to Section VI.F for additional information. Students may only be admitted to Blue Hills Regional Technical School if they have been promoted to the grade they are seeking to enter, so students should be aware that their admission is conditional – if they are not ultimately promoted to enter the grade they have applied for, their admission will be rescinded. Priority for admission is given to District residents who meet the minimum admission requirements before any non-residents seeking the same program.

NON-RESIDENT STUDENTS:

Non-residents of the Blue Hills Regional Technical School District may apply for fall admission or admission during the school year subject to the availability of openings. This is also contingent upon promotion by their sending school district to the grade they seek to enter. Non-resident students will be evaluated using the criteria contained in this Admission Policy. A nonresident student seeking admission to Blue Hills Regional Technical School in grades 9 and 10, under M.G.L. c.74 Sections 7 and 7C must follow the admission process outlined in this Admissions Policy. All nonresidents will be evaluated and ranked using the criteria set forth in this Admissions Policy.

Students who begin their enrollment as District residents and move outside of the District during their enrollment, who request to remain at Blue Hills Regional Technical School as nonresidents under M.G.L. c.74, Section 7 and 7C will be allowed to do so providing that they obtain approval from the Superintendent of the student's District of Residence in accordance with the Massachusetts Department of Elementary and Secondary Education *Guidelines for the Vocational Technical Education Program Nonresident Student Tuition Process* located at: <https://www.doe.mass.edu/ccte/cvte/admissions/>.

In all cases, nonresidents must file an application for admission and a Chapter 74 Vocational Technical Education Program Nonresident Student Tuition Application (located at: <https://www.doe.mass.edu/ccte/cvte/admissions/>) no later than March 15th of the preceding school year with the Admissions Office for completion of Part I and Part II. In addition, By April 1 of the preceding school year, the non-resident student must forward the application to the Superintendent of the student's district of residence for Completion of Part III in accordance with the Massachusetts Department of Education Guidelines for the Vocational Technical Education Program Nonresident Student Tuition Process pursuant to M.G.L. c.74 located at <https://www.doe.mass.edu/ccte/cvte/admissions/>. Upon receipt, the Superintendent of the student's district of residence must either indicate approval or disapproval of the application. The application must be returned to the Admissions Office within ten (10) business days.

The student's parent/guardian or school that has been denied nonresident tuition by the district of residence may request that the Commissioner review the denial of tuition. The application. And supporting documents must be submitted in writing to the Massachusetts Department of Elementary and Secondary Education for review no later than May 1 in accordance with the Guidelines for the Vocational Technical Education Program Nonresident Student Tuition Process pursuant to M.G.L. c.74, M.G.L. c.74.

Section 8A requires that the municipality of residence provide transportation to students admitted to Blue Hills Regional Technical School as nonresidents under M.G.L. c.74 Sections 7 and 7C.

HOME-SCHOOLED STUDENTS:

Homeschooled applicants may apply to attend Blue Hills Regional Technical School full-time and will be subject to the same admissions standards as other applicants. Students who are formally being home-schooled may apply for admission to Blue Hills Regional Technical School, including admission during the school year, in accordance to the selection criteria contained in the Admission Policy, provided all admission selection criteria are followed. The Home School student's parent(s)/guardian(s) must submit a copy of the home school approval letter from the sending school superintendent. Home-schooled students will be accepted to Blue Hills Regional Technical School according to the selection criteria contained in this Admission Policy. Please refer to Section VI: Application Process, F. Home-Schooled Students.

TRANSFER STUDENTS:

Transfer students from other M.G.L. c.74 state approved vocational technical programs, who move into the Blue Hills Regional Vocational School District, may apply for fall admission or admission during the school year to grades 9-12, provided their expectation is to be promoted by their current school to the grade they seek to enter at Blue Hills Regional Technical School. For Fall Admission to the 9th and 10th grade, applicants may pursue a different program of study and 11th and 12th grade applicants must pursue the same program of study at Blue Hills Regional Technical School. For Admission during the current School Year, 9th grade and 10th grade applicants (during first term only) may pursue a different program of study. As of second term of 10th, 11th and 12th grade applicants must pursue the same program of study at Blue Hills Regional Technical School. Transfer students will be evaluated using the selection criteria contained in this Admission Policy.

HOMELESS STUDENTS:

Students who are homeless will be accepted to Blue Hills Regional Technical School according to the selection criteria contained in this Admission Policy.

SCHOOL CHOICE:

Blue Hills Regional Technical School does not participate in the inter-district school choice program.

V. ADMISSIONS COMMUNICATION POLICIES

Blue Hills Regional Technical School disseminates information about the school utilizing a variety of approaches.

Events and timelines of admission activities are developed in the fall. This information is posted on the school website, where it provides information on the admissions process, as well as other information about its programs. Students and families can request hard copies of the calendar by calling or emailing

the Admissions Office at admissions@bluehills.org. Information is provided to guidance offices, principals and superintendents of each sending school district as well as disseminates to eighth grade students in the Blue Hills Regional Vocational School District.

Informational Assembly Programs are scheduled for eighth grade students at district schools. The information presented includes a recruitment power point, which describes the technical programs, academic courses, cooperative education, special education resources, sports, clubs, other extracurricular activities and the application process. The Director of Admissions may coordinate other presenters, which may include administration, guidance, faculty and student representatives.

The Director of Admissions will disseminate recruitment information and applications for admission at High School Nights for 8th grade students, at private/parochial schools in the District.

An annual open house is held in the fall for all residents of the District. Prospective students and their parent(s)/guardian(s) have an opportunity to see demonstrations and speak with teachers, staff and students regarding academic courses, career and technical programs and co-curricular areas.

All eighth grade students are invited to an annual Showcase held in the fall. Students can participate in live interactive demonstrations and spend 30 minutes in three out of seventeen CTE programs and learn about our academic offerings. Dates and times are scheduled with the public middle/junior high schools. Blue Hills Regional provides bus transportation for these students. Interested students and parents from private/parochial schools and parents are welcome to attend. Dates and time are available at the district public schools and Blue Hills Regional Technical School; Admissions Office and website at www.bluehills.org.

All ninth and tenth grade applicants who have not attended Open House or Showcase may schedule a “Warrior for a Day” visit. Applicants will shadow a student host through the day visitation program.

The school’s recruitment material describes Open House, Showcase, Warrior for a Day Programs, the career and technical programs, non-traditional career options, academic courses, sports, clubs, cooperative education and special education resources. The materials are mailed and emailed to every seventh and eighth grade student in the district. It is distributed during open house and informational sessions. This information is also available on the school website at www.bluehills.org. All disseminated information and events allows students to make informed decisions based on its offerings. Blue Hills Regional has a comprehensive website available as a public service. Blue Hills Regional will provide translation and interpreter services to parents and students whose primary language is not English.

Upon receipt of a completed application packet, each applicant will have an interview. An interview form is used and completed by Admission Interviewers. Each student is asked the same sets of questions and rated according to a standard rubric.

After points are given in each area, the points are totaled for each applicant. A maximum total of one hundred (100) points can be earned.

VIII. SELECTION PROCESS

The Admission Committee at Blue Hills Regional Technical School will examine, discuss and make recommendations for action on the applicants.

The Admission Committee considers scholastic achievement, attendance, school behavior, sending school's recommendation and interview results. Applications are reviewed, processed and assigned points by grade level.

After a point total for each resident applicant has been determined, all resident applicants are placed in order of their "point total". Resident applicants are then accepted in order of the point total they have achieved. The resident applicant with the highest point total is accepted first, the resident applicant with the second highest point total is accepted second, and so on until all seats are filled. The second official application will be offered the second seat and so forth. All resident applicants are accepted or placed on a waiting list. If openings occur, the seats are filled by accepting resident applicants from the waiting list. These resident applicants, like those accepted earlier, are accepted in order of their place on the waiting list determined by the total points given according to the selection criteria. In the event that there are more resident applicants with the same "point total" than there are seats available, therefore creating a tie for one or more available seat(s), the applications with the same "point total" will be put in order by date of the official application, first to last date. The first official application will be offered the seat first. The second official date of application will be offered the next seat and so forth. For example, two applications with the same "point total" of 80 are applying for one available seat. One application has an official application date of September 1st and the other application has an official application date of November 15th. The application submitted first according to the official application date of September 1st will be the first one on the list followed by next official application date of November 15th.

Non-resident applicants are evaluated using the criteria in this Admission Policy and will be placed on the waiting list after the resident applicants. Non-resident applicants on the waiting list will only be accepted if all resident applicants on the waiting list have been accepted. Non-resident applicants for Fall Admission will be considered only after the first Friday in May.

Rising or Current Eighth Grade Applicants

Rising or current eighth grade applicants whose completed application forms are received on or before the Third Friday in December application deadline date will be interviewed. It is expected that application packets and interviews will be completed by the last school day in January.

Applications received from rising or current eighth grade students and interviews completed after the last school day in January will be evaluated using the same criteria as other applications and their composite score will be integrated in rank order on the established waiting list. Applicants will be notified of their status by a letter and email to the student by Mid- February. Applicants whose completed application packets are not received and have not been interviewed by Mid-January will receive a letter informing them of their status.

Accepted rising and current eighth grade students must notify the Admissions Office of their intention to attend Blue Hills Regional by the first Friday in March. If no such notification is received, applicants on the waiting list will be accepted in their place. Thus, a second round of acceptance letters will be sent by Mid-March. The number of acceptance letters sent will be based on the number of unfilled openings.

Accepted students from the second round must notify the Admissions Office of their intention to attend Blue Hills Regional by the first Friday in April.

A third round of acceptances will take place, if openings remain, based on the process described above.

Rising or Current Ninth Grade Applicants

Rising or current ninth grade applicants whose completed application forms are received on or before the mid-May application deadline date will be interviewed. It is expected that application packets and interviews will be completed by mid-July. If after notifying the applicant's Guidance Counselor/school designee and parent(s)/guardian(s), the application remains incomplete for ten school days, the application will be placed on an 'inactive withdrawal' status, until such time as the additional information is received and/or applicant reactivates his/her application

Applications received from rising or current ninth grade students and interviews completed by mid-July will be evaluated using the same criteria as other applications and their composite score will be integrated in rank order on the established waiting list. Applicants will be notified of their status by a letter and email to the student by Mid- August. Applicants whose completed application packets are not received and have not been interviewed by Mid-July will receive a letter informing them of their status.

Accepted rising and current ninth grade students must notify the Admissions Office of their intention to attend Blue Hills Regional by mid-August. If no such notification is received, applicants on the waiting list will be accepted in their place. Thus, a second round of acceptance letters will be sent by Mid-March. The number of acceptance letters sent will be based on the number of unfilled openings.

Please note that students accepted in the initial round who notify the Admissions Office after the Confirmation deadline date will be placed on the wait list based on their rank order score.

A second and/or third, etc. round of acceptances will take place, if openings remain, based on the process described above.

All notifications will state that the admissions decision is conditional on meeting the requirements noted in the Enrollment section of the policy.

IX. ENROLLMENT

In order to enroll at Blue Hills Regional Technical School for the fall, applicants must have been promoted to the grade they wish to enter by their sending school district. An official final transcript of grades/report card is required to be submitted to the Director of Admissions prior to enrollment.

Rising and current grade 9 applicants will be advised to make up any failed courses required for graduation from Blue Hills Regional Technical School.

Acceptance and enrollment at Blue Hills Regional Technical School is based upon the accuracy and completeness of the student's application. Blue Hills Regional Technical School reserves the right to revoke its acceptance of any student, at any time, if it determines that the student, the student's parent/guardian(s), or the student's sending school district provided inaccurate, incomplete, or misleading information during the application process.

All accepted incoming students will participate in a placement testing. Additionally, prior to the first day of school, and in accordance with the Massachusetts State Law, updated physical examination and immunization records of incoming students must be forwarded to Blue Hills Regional Technical School.

X. VOCATIONAL TECHNICAL PROGRAM PLACEMENT

All ninth graders who enroll in Blue Hills Regional Technical School participate in a technical exploratory program. First, the mini exploratory program is the preliminary introduction to Blue Hills Regional's technical program offerings. For the mini exploratory, students rotate through all seventeen (17) technical programs for one period of time (about 40 minutes). Students then choose the top nine (9) vocational technical programs they wish to explore for a one-week (approx. 30 hours) period of time during nine (9) technical week cycles.

A universal exploratory – evaluation form is used by each technical program. Each student will be assigned a total score derived from the sum of the sub scores (points) in the following areas: Tech-Related, completeness of Work, Safety, Preparedness, Respect and Behavior, Quality of Work and Participation. Each area will receive a sub score of 3, 6, 9, 12 or 15. Once points are awarded in each area, the points are totaled to arrive at a score for each student. A maximum total of 105 points "A" = 95-105 points; "B" = 84-94 points; "C" = 63-83 points; "D" = 42-62 points; "F" = 0-41 points. At the end of the last exploratory, each student selects his/her technical program of choice, as well as a second and third choice. Students are permitted to choose a technical program they received fewer than 41 points or equivalent of an "F" on the universal exploratory evaluation form based on available space. In the instance that a student were to receive fewer than twelve (12) points in all technical programs explored, a meeting would take place with the student, parent(s)/guardian(s), guidance counselor and Vocational Director. A list of technical programs with openings would be reviewed and students are able to explore additional technical programs they had not previously explored. Students are then

placed in a technical program in accordance with the placement formula described in the next paragraph.

Students are admitted into the technical program of their choice based first on the total point score they received in that program. The student with the highest total point score for a technical program is admitted first. The student with the next highest point total score in that program is admitted second, and so on. In the event that equal grades are earned by multiple students applying to the same vocational program, consideration will be given to the overall average students received in all exploratory programs. For example, if two students earned a 94 in Culinary Arts and only one seat is available, the student with the highest overall average of all exploratory grades will be placed in Culinary Arts. If a student does not receive his/her first choice, their second choice becomes their new first choice for purpose of placement. Students will be placed in their second choice area following the same procedure as their first choice placement that is, based on the score they received in that program, and so on. Students are admitted to the second or third choice of program in order of his/her rating for the technical program.

If a student is not placed in his/her first, second or third choice of program, the guidance counselor will meet with the student and present a list of the technical programs with openings and invite the student to choose one not previously explored. The guidance counselor counsels the students' and the students' parent(s)/guardian(s) on the different options that are available. If the student chooses a technical program in which he/she previously explored, the technical program placement will be made. If the student elects to explore a new technical program, he/she will be evaluated on the same criteria and scale as is used during the regular exploratory program.

Students who enroll at Blue Hills Regional in the tenth grade may explore the technical programs that have openings. Students are evaluated using the same criteria and scale during the period of exploration. If the number of enrollees seeking a technical program exceeds the number of openings, the evaluative total point score/grades would determine the placement. Additional guidance is available to students and parents.

Students who wish to transfer from one technical program to another during the school year may apply for transfer. Transfer requests will be considered subject to the availability of openings in the requested program. Each transfer applicant will be interviewed and counseled individually to determine the appropriateness of the transfer for the particular student. Transfers will not occur without parent(s)/guardian(s) permission.

XI. REVIEW and APPEALS

Acceptance at Blue Hills Regional Technical School is based upon the accuracy of the admission criteria information provided by the sending school district and the accuracy of information provided by parents/guardians and students on the admission application form.

Upon the receipt of a letter from the Admissions Committee of the Blue Hills Regional Technical School indicating that the applicant has not been accepted or placed on the wait list, the parent(s)/guardian(s) and/or applicant may appeal the decision to the Director of Admissions Marybeth Joyce. The appeal must be in the form of a letter that states the reasons(s) why they think the decision should be reconsidered. The Appeal Letter can be sent to the Director of Admissions Marybeth Joyce by email at mjoyce@bluehills.org, by fax: 781-828-0794; mailed to 800 Randolph Street, Canton, MA 02021 or

hand-delivered the letter to the Admissions Office to deliver to Ms. Joyce's attention. The appeal letter must arrive within thirty (30) days of the date on the non-accept determination letter. The Director of Admissions will conduct an administrative review of the application materials and notify the parent/guardian of the results of this review within thirty (30) days.

A parent/guardian who is not satisfied with the decision of the Director of Admissions may request a second appeal on the matter with Principal Geoffrey Zini. This request must be made in writing and must arrive within thirty (30) days of the administrative review with the Director Admissions. This Appeal Letter can be sent to Principal Geoffrey Zini by email at gzini@bluehills.org , by fax: 781-828-0794; mailed to 800 Randolph Street, Canton, MA 02021 or hand-delivered the letter to the Principal's Office to deliver to Mr. Zini's attention. The Principal's Office will schedule an appeal meeting on the matter with the applicant, the parent/guardian and the Principal. At this appeal, a decision will be rendered. If a parent/guardian is not satisfied with the decision of the Principal, the parent/guardian and/or applicant may appeal the decision to Superintendent-Director Jill Rossetti. This request must be made in writing and must arrive within thirty (30) days of the meeting with Principal. The third Appeal Letter can be sent to the Superintendent-Director Jill Rossetti at jrossetti@bluehills.org, by fax: 781-828-0794; mailed to 800 Randolph Street, Canton, MA 02021 or hand-delivered the letter to the Superintendent's Office to deliver to Ms. Jill Rossetti's attention. The Superintendent-Director's Office will schedule an appeal on the matter with the applicant, the parent/guardian and the Superintendent-Director. At this appeal, a decision will be rendered. The decision of the Superintendent-Director will be final.

If the decision to deny admission is upheld by Superintendent-Director Jill Rossetti, Superintendent-Director Jill Rossetti will retain documents detailing the specific admission requirements used to deny admission and such will be made available to the parent/guardian and student upon request.

With regard to program placement, the parent/guardian of a student, who was not placed in a particular technical program, may request a review of the decision by sending a letter to the Principal. She/he will review the matter and respond in writing within thirty days.

ADDENDUM FOR 2021-2022 SCHOOL YEAR

**BLUE HILLS REGIONAL TECHNICAL SCHOOL
ADMISSION POLICY**

Due to COVID-19 outbreak and the extenuating circumstances that existed in the recordkeeping of unexcused attendance within sending schools during the 2020-2021 School Year, the area of Attendance will be assigned a zero for the number of unexcused absences and therefore will receive the maximum score of 15 points.

Applicants are scored in five separate areas with maximum allocated point totals as part of the Blue Hills Regional Technical School Admissions Policy, under Section VII, Selection Criteria. These areas remain the same as follows:

- A. Scholastic Achievement (20 maximum points)*
- B. Attendance (15 maximum points)*
- C. School Discipline/Conduct (15 maximum points)*
- D. Sending School's Recommendation (5 maximum points)*
- E. Interview (45 maximum points)*
